WESTON A PRICE FOUNDATION®: Campaigns for wise traditions in food, farming & the healing arts, challenging politically correct nutrition & the diet dictocrats.

WORLD RENOWNED SPEAKERS:

Sally Fallon Morell, M.A., President and founder of the Weston A. Price Foundation, author of the bestselling book *Nourishing Traditions*, and an internationally acclaimed nutrition educator.

Sir Julian Rose, pioneering organic farmer, and renowned countryside and raw milk campaigner. Julian is chairing the event. Julian and Jadwiga Lopata will discuss campaign issues in Britain and across Europe. Jadwiga is Poland's top countryside campaigner. Jadwiga and Julian have campaigned successfully, amongst other things, for GMO-free Poland.

Natasha Campbell-McBride, M.D., founder of the Cambridge Nutrition Clinic, and author of *Gut & Psychology Syndrome (GAPS)*, her revolutionary nutrition program for mental and digestive wellness and the treatment of depression, autism, ADD, ADHD, and schizophrenia.

Barry Groves, Ph.D., author of *Trick and Treat*, the explosive book on why conventional "healthy diets" are ruining people's lives and making food manufacturers and healthcare providers rich.

Stalls including books, real ale and raw milk.
