

Today, September 2, we celebrate 25 years as a non-profit! Woot, woot!

It is also Labor Day, which certainly fits as we will reflect on the fruits of our labor for the next 25 days with celebratory posts!

We've been focused on how to nourish ourselves and our children, how to farm and how to heal with natural remedies since day one. In order to continue the education, research and advocacy we do, we rely on communal support.

For the next 25 days, from September 2 until September 26, we offer you an opportunity to become a member or to purchase a membership for those in your circle for \$25!

That is a 37.5% discount. We seek to expand our membership with new members to reach 25K next year. We are at 15,300 members. If 10K members purchase one membership for someone else, we'll reach that new milestone! Current members can give a [gift membership](#).

Your membership supports the content we publish freely on social media, our Wise Traditions journal, podcast, website and initiatives like [realmilk.com](#) and [nourishingourchildren.org](#). We send all members a paper copy of our Wise Traditions journal every quarter.

Please help us reach 25K members!
